Dear Mr. Dewar:

I enclose the laboratory report for the sample you submitted for analysis.

The sample was received in the laboratory on September 17, 2008 in acceptable condition. It consisted of one bulk sample for urea formaldehyde foam insulation identification. The analysis was completed on September 17, 2008.

Please note that any unused portions of the sample which are feasible to preserve will be kept for a period of 30 days from the date on this report and then discarded, unless you have requested otherwise.

If you require any additional information, please feel free to contact the laboratory. Thank you for the opportunity to provide you with our services.

Yours sincerely,

for: Lorraine Shaw, B.Sc., CIH, ROH
Laboratory Manager
